The use of protocols has quickly spread from conferences and workshops to everyday school and university settings. Now in its third edition, this popular bestseller features substantial updates that take into account recent developments in the field of facilitative leadership. The authors have also added **11 totally new protocols**, including the “Peer Review Protocol” and “Looking at Student Work with Equity in Mind.” This essential teaching and professional development tool includes:

Editorial Reviews

Review

"My practice is continuously strengthened by *The Power of Protocols*. This book will enlarge your thinking about how protocols can help you with change management and issues of equity."
—**Bena Kallick**, The Institute for Habits of Mind

"This is one of a handful of books that I keep right on my desk."
—**Kathryn Boudett**, Harvard Graduate School of Education

About the Author

Joseph P. McDonald is professor of Teaching and Learning at New York University's Steinhardt School of Culture, Education, and Human Development. The late **Nancy Mohr** was director of the New York Center of the National School Reform Faculty. **Alan Dichter** is a consultant on school leadership and change, and formerly local instructional superintendent in New York City and director of leadership development in the Portland, Oregon, public schools. **Elizabeth C. McDonald** is a master teacher in the Department of Teaching and Learning at New York University's Steinhardt School and a former elementary school principal.
